Mr. Michael A. Tolerico
President
Carbondale City Council
Carbondale City Hall
One North Main Street
Carbondale, PA 18407

Dear Mr. Tolerico and Members of Carbondale City Council:

The purpose of this letter is twofold:

(1) to reiterate the content of a telephone conversation between Joseph Pascoe and yourself, on July 30, 1982, regarding the installation of the "Carbondale" historical marker (which used to stand along Route 6 in Childs and which was recently knocked down by a motor vehicle) next to City Hall. This historical marker has recently been repaired and will, therefore, be installed in the small plot of land on the City Hall lot between Carbondale City Hall and the Columbia Hose Company.

(2) to invite you to attend, and to participate in (should you be interested in doing so), the ceremonies that will take place at 10 A.M. on Saturday, September 25, 1982, during which this recently-repaired "Carbondale" historical marker will be installed, next to City Hall, and formally re-dedicated.

Sincerely yours,

S. Robert Powell
